All applications to the Committee for approval of any of the foregoing shall be accompanied by plans and specifications or such other drawings or documentation as the Committee may require. In the event the Committee fails to approve or disapprove an application within thirty (30) days after the same has been submitted to it, the Committee's approval shall be deemed to have been given. In all other events, the Committee's approval shall be in writing. If no application has been made to the Committee, suit to enjoin or remove any structure, activity, use, change, alteration or addition in violation of the prohibitions contained in this Section may be instituted at any time, and the Association or an owner may resort immediately to any other lawful remedy for such violation.

Section 5.04 - Procedure. As is set forth in Section 5.02, supra, the Committee may, from time to time, adopt, promulgate, rescind, amend and revise its rules and regulations governing procedure in all matters within its jurisdiction. In the event the Board does not

constitute itself as the Committee, then the Board, in its discretion, may provide by resolution for appeal of decisions of the Committee to the Board, subject to such limitations and procedures as the Board deems advisable. The Board or the Committee may appoint one or more persons to make preliminary review of all applications to the Committee and report such application to the Committee with such person's recommendations for Committee action thereon. Such preliminary review shall be subject to such regulations and limitations as the Board or the Committee deems advisable.

Section 5.05 - Standards. No approval shall be given by the Board or Committee pursuant to the provisions of this Article, unless the Board or Committee, as the case may be, determines that such approval shall: (a) assure harmony of external design, materials and location in relation to surrounding buildings and topography within the Development; and (b) shall protect and conserve the value and desirability of the Development as a residential community; and (c) shall be consistent with the provisions of this Declaration; and (d) shall be in the best interests of the Association in maintaining the value and desirability of the Development as a residential community.

Every Owner of a Lot hereby consents to the imposition of such lien prior to any homestead status until paid in full.

Section 7.03 - Special Assessments. In addition to the annual assessment authorized, the Association, through its Board of Directors, may levy in any assessment year a special assessment or assessments for capital improvement or emergency purposes, and any such assessment shall be approved by no less than two-thirds (2/3) of each class of Members. Notwithstanding the foregoing, a special assessment authorized under Section 8.01 (b), Article VIII, and Section 2.12 of Article II hereof, need be approved only by the Board of Directors and not the two-thirds (2/3) vote of the membership.

Written notice of any meeting called for the purpose of making the levy of a special assessment requiring approval of the membership shall be sent to all Members not less than ten (10) days nor more than thirty (30) days in advance of the meeting.

Section 7.04 - Assessments

(a) **Annual Assessments.** Annual assessments shall be determined for each Lot by the Board of Directors of the Association prior to January 1st of each year for all assessable property by determining the sum necessary to fulfill the obligations and purpose of said assessment. Written notice of the annual assessment shall then be sent to every Owner subject thereto and the due date shall be established by the Board of Directors, which may be monthly, quarterly or on an annual basis. The Association shall, upon request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot have been paid. Notwithstanding anything contained herein to the contrary, the Developer, as a Class B Member, shall not be obligated to pay annual assessments for the period of time that the Developer pays any amount of common expenses incurred and not produced by the special and annual assessments collectible from Class A Members. For purposes of this calculation, replacement reserves or capital expenditures shall not be considered as common expenses. Developer, at its option, may elect to pay annual assessments for Lots it owns rather than subsidize the Association as hereinbefore set forth.

(b) **Initial Lot Sale Assessment.** In addition to the aforementioned prorated annual assessment, the first purchaser from the Declarant as to each Lot in the Property shall pay, at the time of closing, an initial assessment in the amount of Eighty and No/100 Dollars (\$80.00). This initial assessment shall be a one-time only per Lot charge to be utilized by the Association for the purpose of providing working capital for the Association. The amount of the initial assessment shall be subject to increase or decrease from time to time by action of the Board.

Section 7.05 - Uniform Rate of Assessment. Both annual and special assessments shall be fixed at a uniform rate for each Lot and may be collected, at the Board's option, on a monthly, quarterly or annual basis.

Section 7.06 - Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to each Lot at the time of the closing of the purchase of each Lot from the Developer, when the first such assessment shall be due. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The due dates for assessments shall be established by the Board of Directors of the Association.

Section 7.07 - Remedies of the Association for Nonpayment of Assessments. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the maximum legal rate. The Association may bring an action at law against the Owner personally obligated to pay the same, or file a lien as hereinabove authorized and foreclose said lien by judicial foreclosure in the same manner in which mortgages on real property may be foreclosed in Florida. In any such foreclosure, the Owner shall be required to pay the costs and expenses of filing the notice of lien and all reasonable attorneys' fees incurred in the collection of any assessment, which costs, expenses and attorneys' fees shall be secured by the lien being foreclosed. The Owner shall also be required to pay the Association any assessments against the Lot which become due during the period of foreclosure. The Association shall have the right and power to bid at foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the Lot as Owner thereof. No Owner may waive or otherwise escape liability for the assessments provided herein by nonuse of the Common Areas. Any suit to recover money judgment for unpaid expenses and assessment hereunder shall not be deemed to be a waiver of the lien securing the same. Upon payment of all sums secured by the lien, which has been made the subject of a recorded notice of lien, a release of notice of lien shall be executed by the Association or its representative and recorded in the Public Records of Brevard County, Florida.

Section 7.08 - Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage recorded prior to the time of recording a notice of lien. Any mortgagee which obtains title to a Lot as a result of foreclosure of such a first mortgage that is recorded prior to a notice of lien, or by voluntary conveyance in lieu of such foreclosure, shall not be liable for the assessments pertaining to such Lot or chargeable to the former Owner thereof which became due prior to the acquisition of title by said mortgagee. Such unpaid assessments shall be deemed a common expense of the Association and collectible from all Owners, pro rata, including the acquiring mortgagee, its successor or assign. Any such transfer to or by a mortgagee shall not relieve the transferee of responsibility nor the Lot from the lien for assessments made thereafter. No sale or transfer shall release such Lot from liability for any assessment thereafter becoming due.

Section 7.09 - Exempt Property. All properties dedicated to and accepted by a public authority and all properties owned by the Association shall be exempt from assessments created herein.

Section 7.10 - Rights of Governmental Authorities. In the event any municipality or other governmental authority performs the obligations of the Association for the maintenance of any facilities or land within the Development, then said municipality or governmental authority shall have legally enforceable liens against all land and each residential Unit in the Development and the same enforcement rights afforded the Association.

ARTICLE VIII - MAINTENANCE OF COMMON AREA AND LOTS

Section 8.01. The responsibility for the maintenance of the Common Area and Lots within the Development shall be as follows:

(a) Common Area. The Association, subject to the rights of the Owners set forth in this Declaration, shall be responsible for the exclusive management, control and maintenance of the Common Area and any improvements thereon, and shall keep the same in good, clean, attractive and sanitary condition, order and repair. The Common Area shall consist of those areas in the Development conveyed or dedicated to the Association by the Developer or otherwise acquired by the Association.

(b) Lots. Each Class A Owner shall be responsible for the maintenance of his Lot, and right-of-way areas, including, but not limited to, the responsibility to replace and care for trees, shrubs, grass, walks and other exterior improvements located within a Lot. In the event an Owner fails to maintain the exterior of his Lot in a good, clean, attractive and sanitary condition, or in the event the Board deems it in the best interest of the Development, then the Association may provide said maintenance after delivery of seven (7) days written notice to the Owner and the cost of said maintenance shall be assessed by the Association to the Owner of said Lot. The Association shall have a reasonable right of access and entry upon any Lot to do work reasonably necessary for the proper operation and maintenance of the Development.

(c) Taxes. The Association shall pay all real and personal property taxes and assessments for any property owned by the Association.

(d) Insurance. The Association shall maintain adequate casualty and liability insurance on the Common Area, and fidelity bond coverage as specified in the ENMA Lending Guide, Chapter Three, Part 5, Insurance Requirements.

(e) Drainage and Utility Easements. The Association shall not be responsible for maintaining any easement areas designated on the Plat as "Drainage and Utility Easement" which shall be maintained by the Lot Owners.

Section 8.02 - Maintenance of Common and Landscaped Areas by Association. It is mandatory that entry features, landscaped areas and Common Areas be attractively maintained by the Association. A decision to abandon or substantially reduce such maintenance shall require the express written approval of seventy-five percent (75%) of the voting membership of the Association.

The common drainage areas (Tracts "B" and "C" as shown on the Plat of the Development) shall be kept free of debris, trash and other materials. The scrub jay preserve (Tracts "A" and "D" as shown on the Plat of the Development) shall be preserved and regrown with native forest and kept free of debris, trash and other materials.

Landscaped access is to be maintained in substantial accordance with the quality and quantity of plantings originally installed by the Developer. Such maintenance includes irrigation, fertilizing, weeding, mowing, trimming, spraying and, if needed, replacement of damaged or diseased plantings with comparable plantings.

Nothing in these requirements shall restrict the Association from upgrading landscaping materials.

Section 8.03 - Landscaping on Grissom Parkway Entry. The Association shall assume their proportionate share of maintenance responsibilities for Grissom Parkway and Meadow Oaks Drive, from SR405 to a point even with the south lot lines of Lots 5 and 6 of the Plat for The Oaktrails at Meadowridge Phase IV-A.

ARTICLE IX - REMEDIES

Section 9.01 - Violations. Whenever there shall have been built, or there shall exist on any Lot, any structure, building, thing or condition which is in violation of this Declaration Developer or Association shall have the right, but not the obligation, to enter upon the property where such violation exists and summarily to abate and remove the same, all at the expense of the Owner of such property, which expense shall be payable by such Owner to Developer on demand, and such entry and abatement or removal shall not be deemed a trespass or make Developer or Association liable in any way to any person, firm, corporation or other entity for any damages on account thereof. If the Owner fails to pay such expenses, Developer or Association shall have a lien for such expense upon the Lot of the Owner.

ARTICLE X - SPECIAL PROVISION TO SATISFY THE REQUIREMENTS OF FEDERAL NATIONAL MORTGAGE ASSOCIATION

Section 10.01. The Association shall allow all Unit Owners, their lenders, insurers and guarantors of first mortgages to inspect, during normal business hours, all of the records of the Association.

Section 10.02. Upon written request, the Association shall furnish its most recent annual statement to any holder of a first mortgage of a Lot in the Development.

Section 10.03. The Association may cancel, without penalty or cause, any contract or lease made by it before Owners other than the Developer assume control of the Association, upon ninety (90) days' written notice to the other party.

Section 10.04. Upon written request, the Association shall furnish the following notices to the holder, insurer or guarantor of any mortgage on any Lot in the Development:

(a) Notice of any condemnation or casualty loss that affects a material portion of the Development or the applicable Lot.

(b) Notice of any delinquency in the payment of assessments more than sixty (60) days past due as to the applicable Lot.

(c) Notice of any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.

(d) Notice of any proposed action which would require the consent of a percentage of mortgage holders.

**ARTICLE XI
SPECIAL PROVISION TO SATISFY REQUIREMENT OF
ST. JOHNS RIVER WATER MANAGEMENT DISTRICT**

Section 11.01 - Duties of Association. The Association shall be responsible for the maintenance, operation and repair of the surface management system. Maintenance of the management system(s) shall mean the exercise of procedures for maintenance of the systems to provide drainage, water storage, other surface water or stormwater management capabilities as permitted by the St. Johns River Water Management District. Any repair or reconstruction of the surface water or stormwater management system shall be as permitted or, if modified, as approved by the St. Johns River Water Management District.

Section 11.02 - Covenant for Maintenance Assessments for Association. Assessments shall also be used for the maintenance and repair of the surface water or stormwater management systems including but not limited to work within retention areas, drainage structures and drainage easements.

Section 11.03 - Easement for Access and Drainage. The Association shall have a perpetual non-exclusive easement over all areas of the surface water or stormwater management system for access to operate, maintain or repair the system. By this easement, the Association shall have the right to enter upon any portion of any lot which is a part of the surface water or stormwater management system, at a reasonable time and in a reasonable manner, to operate, maintain or repair the surface water or stormwater management system as required by the St.

Johns River Water Management District permit. Additionally, the Association shall have a perpetual non-exclusive easement for drainage over the entire surface water or stormwater management system. No person shall alter the drainage flow of the surface water or stormwater management system, including buffer areas or swales, without the prior written approval of the St. Johns River Water Management District.

Section 11.04 - Amendment. Any amendment to the Covenants and Restrictions which alter any provision relating to the surface water or stormwater management system, beyond maintenance in its original condition, including the water management portions of the common areas, must have the prior approval of the St. Johns River Water Management District.

Section 11.05 - Enforcement. The St. Johns River Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in the Covenants and Restrictions which relate to the maintenance, operation and repair of the surface water or stormwater management system.

Section 11.06 - Swale Maintenance. The Developer has constructed a Drainage Swale upon each Lot for the purpose of managing and containing the flow of excess surface water, if any, found upon such lot from time to time. Each lot owner, including builders, shall be responsible for the maintenance, operation and repair of the swales on the lot. Maintenance, operation and repair shall mean the exercise of practices, such as mowing and erosion repair, which allow the swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the St. Johns River Water Management District. Filling, excavation, construction of fences or otherwise obstructing the surface water flow in the swales is prohibited. No alteration of the Drainage Swale shall be authorized and any damage to any Drainage Swale, whether caused by natural or human-induced phenomena, shall be repaired and the Drainage Swale returned to its former condition as soon as possible by the Owner(s) of the Lot(s) upon which the Drainage swale is located.

ARTICLE XII ADDITIONAL PROPERTY

Section 12.01 - Additional Property. The Developer (joined by the owner of the lands to be annexed if other than the Developer) shall have the sole right but not the obligation to bring within the scheme of this Declaration the Additional Property, or any portions thereof, at any time or times within twenty (20) years from the date this Declaration has been recorded, which annexation may be accomplished without the consent of the Association, its Members, the Owners or occupants of the Lots, any mortgage or lien holder, or any other person.

Section 12.02 - Method of Annexation. The additions authorized under this Article shall be made by filing of record a Supplemental Declaration with respect to any portion of the Additional Property to be added, which shall extend the scheme of the covenants and restrictions of this Declaration to such portions of the Additional Property. The Supplemental Declaration

shall describe the real property to be annexed and shall state that it is being made pursuant to the terms of this Declaration for the purpose of annexing property to the scheme of this Declaration and extending the jurisdiction of the Association to that portion of the Additional Property. The Supplemental Declaration may contain such terms and provisions not inconsistent with this Declaration as may be desirable to reflect the different character of the real property being annexed or the various development approaches being implemented.

Owners, upon recordation of any Supplemental Declaration, shall also have a right and non-exclusive easement of use and enjoyment in and to the Common Property within the real property so annexed and an obligation to contribute to the cost of improvement, operation and maintenance of such Common Property within the annexed lands.

Any Supplemental Declaration recorded in accordance with the terms hereof shall be conclusive in favor of all persons who rely thereon in good faith. From and after recordation of any Supplemental Declaration, the Additional Property described therein shall be subject to the provisions of this Declaration and to the jurisdiction of the Association.

Section 12.03 - Non-Binding General Plan of Development.

(a) Purpose. Developer intends, but is not obligated, to develop up to one hundred sixty (160) single-family residential lots on the Phase One Property. Any additional Properties shall also be developed as single-family residential lots. However, the aforescribed development plan shall not bind the Developer to make the additions to the Development or to improve any portion of such Additional Property in accordance therewith. Nothing herein shall be interpreted as requiring annexation of any of said lands or, if annexed, that they be annexed in any particular sequence or configuration or that they be annexed in whole tracts.

Section 12.04 - Developer Consent Required for Amendment. This Article XI may not be amended without the written consent of the Developer.

ARTICLE XIII - MISCELLANEOUS

Section 13.01 - Approvals. Wherever in the Covenants the consent or approval of Developer is required to be obtained, no action requiring such consent or approval shall be commenced or undertaken until and after a request in writing seeking the same has been submitted to and approved in writing by Developer. In the event Developer fails to act on any such written request within thirty (30) days after the same has been received by Developer as required above, the consent or approval of Developer to the particular action sought in such written request shall be conclusively and irrefutably presumed. However, no action shall be taken by or on behalf of the person or persons submitting such written request which violates any of the Covenants herein contained.

Section 13.02 - Assignments. Developer shall have the sole and exclusive right at any time and from time to time to transfer and assign to any person, firm or corporation, including, but not limited to, the Association, any or all rights, powers, easements, privileges, authorities and reservations given to or reserved by Developer by any part or paragraph of the Covenants or under the provisions of the Plat. If at any time hereafter there shall be no person, firm or corporation entitled to exercise the rights, powers, easements, privileges, authorities and reservations given to or reserved by Developer under the provisions hereof, the same shall be vested in and be exercised by a committee to be elected or appointed by the Owners of a majority of the Lots. Nothing herein contained, however, shall be construed as conferring any rights, powers, easements, privileges, authorities or reservations in said Committee, except in the event aforesaid. None of the provisions of this Section 11.02 shall apply to or affect the provisions of Article VI.

2
e
Section 13.03 - Developer's Rights. Developer reserves and shall have the sole and exclusive right:

(a) To modify and amend these Covenants as may be required by the Federal National Mortgage Association, the Federal Housing Administration, the Veterans Administration or other Insurer of first mortgages upon the Units or Lots without acquiring the approval or joinder of any other Unit Owner or mortgagee.

(b) To amend, modify or grant exceptions or variances from any of the use restrictions set forth in Article II of this Declaration without notice to or approval by other Owners or mortgagees. All amendments, modifications, exceptions or variances increasing or reducing the minimum square footage of dwellings, pertaining to fence size, location of composition, or pertaining to the location of structures on a Lot shall be conclusively deemed to be within the authority and right of Developer under this subsection. Any such amendments or modifications shall be effective upon the recordation of same in the public records of Brevard County, Florida.

(c) To amend these Covenants for the purpose of curing any error or ambiguity in or any inconsistency between the provisions contained herein without acquiring the approval or joinder of any other Owner or mortgagee. Any such amendments or modifications shall be effective upon the recordation of same in the public records of Brevard County, Florida.

(d) To include in any contract, deed, sublease agreement or other instrument hereafter made any additional covenants and restrictions applicable to the Land which do not lower the standards of the Covenants.

(e) Notwithstanding anything contained herein to the contrary in this Declaration, the Articles of Incorporation or Bylaws, the Developer shall be entitled to use any unsold Lot or Lots as an aide in selling Lots or as a sales office, construction office, or parking lot, and shall further be allowed to place on the Development signs advertising the sale of Lots,

construction trailers and sales trailers. The Developer shall further have the right to complete construction of all improvements to the Common Area contemplated by its development plan and to transact, on the Development, any business to consummate the sale of Lots, and all sales office and model furniture shall not be considered Association property and shall remain the property of the Developer.

Section 13.04 - Termination of Developer's Rights. Upon the sale by Developer of all Lots in the Development and Developer's written assignment of its rights and obligations hereunder to the Association, the Association shall be entitled to exercise all of Developer's rights and obligations herein provided, including but not limited to, enforcement rights set forth in Section 11.09.

Section 13.05 - Additional Covenants. No Owner, without the prior written approval of Developer, may impose any additional covenants or restrictions on any part of the Development shown on the Plat.

Section 13.06 - Termination. These Covenants, Conditions and Restrictions, as amended and added to from time to time, and as provided for herein, shall, subject to the provisions hereof and unless released as herein provided, be deemed to be covenants running with the title to the Development and shall remain in full force and effect for a period of thirty (30) years from the date of recording the original restrictions, and thereafter these Covenants shall be automatically extended for successive periods of ten (10) years each, unless within six (6) months prior to the commencement of any ten (10) year period, an instrument in writing, executed by the owners representing seventy-five percent (75%) of the votes of Lots has been recorded in the Public Records of Brevard County, Florida, in which written agreement any of the Covenants provided for herein may be changed, modified, waived or extinguished, in whole or in part, as to all or any part of the property then subject thereto, in the manner and to the extent provided in such written agreement.

Section 13.07 - Amendment. Subject to the provisions of Section 13.03 hereof, the covenants, conditions and restrictions of this Declaration may be amended by an instrument executed by the then Owners who represent seventy-five percent (75%) of the votes of Lots and shall be placed of record in the Office of the Clerk of the Circuit Court of Brevard County. Notwithstanding anything herein contained to the contrary, no amendment of this Declaration which in any way alters, changes, limits, diminishes or otherwise affects any Institutional mortgagee's position, right or equity as mortgagee of a Lot shall be effective without the joinder of the institutional mortgagee. For purposes of this statement, an institutional mortgagee shall be defined as a bank (including, without limitation, a mutual savings bank), life insurance company, savings and loan association, real estate investment trust, pension fund, trust, government agency, mortgage company, FNMA, or other lender active in the area, including the successors and assigns of any such entity. Section 13.08 - Negligence. Any Owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect, carelessness or by that of any member of his family, or by his or her guests, employees or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in fire insurance rates occasioned by use, misuse or occupancy or abandonment of a Lot interest or its appurtenances.

Section 13.09 - Enforcement. If any person, firm, corporation or other entity shall violate or attempt to violate any of the Covenants, it shall be lawful for Developer, or any person or persons owning any Lot:

(a) To institute and maintain civil proceedings for the recovery of damages against those so violating or attempting to violate any such covenants or restrictions; or

(b) To institute and maintain a civil proceeding in any court of competent jurisdiction against those so violating or attempting to violate any of the Covenants for the purpose of preventing or enjoining all or any such violations or attempted violations. The remedies contained in this Section 12.09 shall be construed as cumulative of all other remedies now or hereafter provided by law. The failure of Developer, its grantees, successors or assigns, to enforce any Covenant or any other obligation, right, power, privilege, authority or reservation herein contained, however long continued, shall in no event be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation thereof occurring prior to or subsequent thereto.

Section 13.10 - Severability. The invalidation of any provision or provisions of the Covenants set forth herein by judgment or court order shall not affect or modify any of the other provisions of the Covenants which shall remain in full force and effect.

Section 13.11 - Paragraph Headings. The paragraph headings contained in this Declaration are for reference purposes only and shall not in any way affect the meaning, content or interpretation hereof.

Section 13.12 - Conflicts. In the case of any conflict between the Declaration, the Articles of Incorporation of the Association or the Bylaws of the Association, the Declaration shall control.
